FINE ENTERTAINMENTS LTD

Home to two of the UK's leading professional wedding entertainers - Lewis and Jamie used to operate as completely separate successful competing magicians, however after a number of years, realised they could offer an even better service by joining forces and working together. This means you have the combined experience of not just one, but two professional wedding entertainers who'll be on hand and happy to help every step of the way.

LEWIS JOSS

Lewis Joss is an expert ice breaker, conversationalist and award-winning wedding entertainer who uses magic to enlighten and captivate guests. Lewis started

performing magic at the early age of 6 after being taught a few tricks from his Grandfather. He now performs at hundreds of events every year, and has worked on TV productions with the late Paul Daniels & Debbie McGee, Channel 5, Talkback Thames and has aired on ITV with And & Dec!

JAMIE DOCHERTY

Jamie Docherty has been performing at weddings for over 10 years - he started very young after being given a magic set for Christmas. He now

performs at over 100 weddings every year, and is held in high regard amongst other wedding suppliers and venues across the country - known for his ability to entertain, captivate and leave a lasting impression. Jamie's style of magic is modern, engaging and most importantly, memorable.

“They were TALKING ABOUT HIM FOR DAYS trying to work out how he did his tricks. A BRILLIANT ENTERTAINER!! Thank you! ”

Sam Grant - Groom

Magic for two parts of your big day, may that be the drinks reception and wedding breakfast or wedding breakfast and turnaround period...

The ice will be broken and the magic will bring the family together during the drinks reception. So you can sit back and have your photos taken, knowing your guests are in safe hands.

As the guests are sat down at their tables, they will be enthralled by stunning sleight of hand and the wait for their food will be forgotten. Items will be borrowed, props will vanish, fire will appear. A truly impossible spectacle at each and every table.

This will be a talking point for many years down the line.

ALL SINGING. ALL DANCING

The BEST entertainment package with all the bells and whistles.
Magic, right the way from the drinks reception, right up until the dance floor.
